Incredible ECU Women

Description
The Women’s Roundtable acknowledges the contributions of women to East Carolina University’s legacy and encourages new levels of commitment by women to the university’s future. Through its network of former students and friends of ECU, the Women’s Roundtable creates a culture of giving at ECU by focusing its efforts on raising funds for scholarships, building a stronger base of women committed to the university and forming a deeper pool of women to be considered for leadership roles at ECU.

In 2007, the Women’s Roundtable honored 100 Incredible ECU Women who were recognized by their peers as outstanding leaders in their fields. In 2010, six additional women were honored. Ten more Incredible Women were recognized in October 2013, as a part of our celebration of the tenth anniversary of the Women’s Roundtable. Eleven more women were recognized at our event in February 2017. In 2019, eleven additional women were honored.
